NASHVILLE LIFESTYLES' HOME AWARDS

OUR ANNUAL CELEBRATION OF THE VERY
BEST OF THE CITY'S HOME INDUSTRY EXPERTS.

BY ERIN BYERS MURRAY

As the city continues to grow and evolve, it's the living spaces—from taller towers on our skyline to the expanding range of home styles and spaces throughout our neighborhoods—that capture our attention here at *Nashville Lifestyles*. Most fascinating are the many blank canvases that are being turned into stunning showpieces, whether it's a newly built Germantown condo or a revamped Belle Meade mansion. That's why, in 2016, we launched our first Home Awards as a way to celebrate and honor

those in the industry who are beautifying and perfecting the spaces we reside in.

This year, our second annual awards features winners in 14 categories. Hundreds of entries were submitted, and, through ballots collected online, we selected our top tier of awardees. Here, we give you our annual list of the cream of the crop in Nashville's home industry. We hope you'll seek them out when you're looking for your own at-home inspiration.
